A total of 47 counties have been designated for some form of federal assistance under various programs administered by the Federal Emergency Management Agency (FEMA). On April 25, 2006, FEMA issued two amendments for the disaster declared by President Bush on March 16th that covered the initial round of storms that hit Missouri (FEMA-1631-DR). Amendment #4 designated Lawrence and Vernon Counties for all categories of Public Assistance (both had previously been designated for Individual Assistance). Amendment #5 expanded the incident period to March 8-13, 2006 (previously March 11-13).

Individual Assistance (IA) programs are now available for the disaster declared by President Bush on March 16th for the initial round of storms of March 8-13 in a total of 37 counties (Bates, Benton, Boone, Carroll, Cass, Cedar, Christian, Cooper, Crawford, Greene, Henry, Hickory, Howard, Iron, Jefferson, Johnson, Lawrence, Lincoln, Mississippi, Monroe, Montgomery, Morgan, New Madrid, Newton, Perry, Pettis, Phelps, Putnam, Randolph, St. Clair, Ste Genevieve, Scott, Saline, Taney, Vernon, Webster, Wright). IA programs provide assistance for individuals and business-owners who suffered losses because of the disaster. Affected persons should call the FEMA registration line at 800-621-FEMA to apply, or visit the FEMA website at www.fema.gov.

For the disaster declared by President Bush on April 5th for storms of March 30-April 2, IA programs are now available in seven counties. (Andrew, Butler, Dunklin, Pemiscot, Pettis, St. Francois, and Stoddard).

All categories of Public Assistance (PA) are now available for the storms of March 8-13 in 28 counties (Bates, Bollinger, Benton, Boone, Carroll, Cedar, Christian, Davies, Greene, Henry, Hickory, Howard, Iron, Lawrence, Monroe, Montgomery, Morgan, Perry, Pettis, Putnam, Randolph, Ray, Saline, St. Clair, Vernon, Washington, Webster, Wright). Public Assistance is made available to state and local governments, as well as qualifying private non-profit organizations, to help offset costs incurred while responding to the disaster and to help offset costs of eligible recovery projects.

Categories A & B (Debris Removal and Emergency Protective Measures) of Public Assistance is available for the storms of March 11-13 in one county (Jefferson). Categories A & B of Public Assistance is available for the storms of March 30-April 2 in two counties (Andrew, and Pettis).
